- QUALIFICATIONS:** Apartment Homes by Tonti uses a third-party applicant screening agency, which determines approval based on an empirical system that incorporates various credit factors along with other non-statistical factors to evaluate all applicants objectively. The primary criterion used to determine rental decisions is a statistically based score derived from income relationships, including rent-to-income and debt-to-income ratios based on calculations determined from the application and the credit record. In addition to the third- party screening score, other factors may impact the overall rental decision of an applicant including criminal background checks, rental and eviction histories and check writing histories. Your application will then be accepted, rejected or accepted with conditions. Verification of income, employment, rental history, criminal background check and complete credit check is required in order to process a lease holder application. An unsatisfactory credit finding may result in the requirement of an additional condition. The condition could be a Guarantor, and additional deposit or verified 2 years of good rental/employment. A prospective leaseholder with no established credit history may provide a Guarantor or pay an additional deposit. **A Guarantor will be held financially responsible for any and all damages to the apartment, uncollected rents, deposits or fees.**

Any applicant/occupant failing Apartment Homes by Tonti's policies for criminal background will be denied occupancy at all Apartment Homes by Tonti communities. The mitigating circumstances, evidence of rehabilitation, and when the offense occurred will be reviewed on a case by case basis to determine if the application will be accepted or result in a denial. If any applicant should fail to disclose such fact during the application process, this failure shall constitute a breach of any lease agreement executed by applicant and shall allow Apartment Homes by Tonti to demand immediate possession of the leased premises.
